

ES-PLANTER-DVC-6-TC

Blends in Beautifully

This classic planter-style speaker has a rich, multi-layer appearance and attractive weathered finish that complements any outdoor setting, and offers functionality as well as aesthetics for housing your favorite outdoor plant.. It expertly blends into its environment, providing top-quality sound that doesn't take away from an area's natural beauty.

Built for Sound

Thanks to premium components – like a polypropylene woofer and dual titanium dome tweeters –this Planter Speaker is optimized for outstanding performance. Perfect for everything from easy listening on a weeknight to a party on the weekend.

Engineered for Versatility

Whether placed on a deck, out in the yard, or around a porch, this speaker is versatile enough to perform just about anywhere. Plus, its rugged build and weatherproof materials ensure that it will continue to impress for years to come.

Lifetime Limited Warranty

All Episode Speakers have a Lifetime Limited Warranty. This warranty includes parts and labor repairs on all components found to be defective in material or workmanship under normal conditions of use. This warranty shall not apply to products which have been abused, modified or disassembled. Products to be repaired under this warranty must be returned to SnapAV or a designated service center with prior notification and an assigned return authorization number (RA).
