**AUDIO VISUAL FURNITURE International**

The **SYZ80-S** mobile interactive stand for single TV's and interactive touch screen displays supports up to 65" screens with a weight capability of 250 lbs.
Its unique modern design plus accessible base shape is ideal for corporate and educational environments.
Both columns attached by a brace provide strength and support to the interactive board mounted. These columns feature grommets both on the top and bottom for passing cables inside the unit, leaving it with a very clean controlled appearance.
