

# Jackboxes

Jackboxes are an ideal choice for libraries, learning centers, ESL and ELL applications. Califone models feature optimal silver contact points to ensure solid connections, choice of individual volume controls, stereo or monaural, 4, 6, 8 or 10 positions.

## Monaural

1. Strain-relief connectors ensure its cord won't be pulled out, even in the roughest school conditions
2. Permanently attached cord with 1/4" and 3.5mm plugs attaches to all media players
3. Individual volume control for personal preferences
4. Rubber pads underneath so it won't slide or scratch desktop
5. Predrilled holes for permanent mounting

<b>1218AV-PY</b> 8-position.....	\$23
