

Model MC-364

The Exact Furniture MC-364 Credenza Display Stand is a great looking alternative to the standard black metal videoconferencing or digital signage carts. Cabling can be run inside the poles of the optional LCD mount (DP-200) for a clean modern look. The optional poles are bolted to the bottom of the cabinet so that the worksurface is clear of plates or bolts. The two outside compartments can accommodate 12RU rack rails, there is a removable access panel for installation of equipment. The MC-364 comes standard with 4" casters but levelers are optional.

Standard Features

- Constructed with melamine laminates and edge banding
- Locking euro hinged doors
- Locking removable access panel on audience side
