

# Aluminum Flat Panel, black

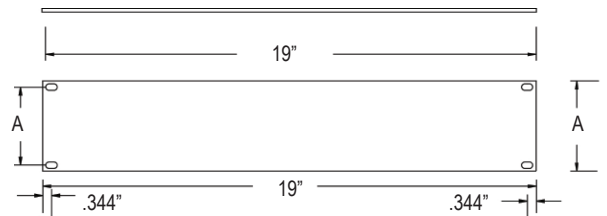

## Description:

The AFP blank rack panels for 19" wide EIA racks are made with 1/8" flat aluminum and finished in black wrinkle powder epoxy paint for durable, scratch-resistant performance. They're ideal for applications where the light weight and environmental attributes of aluminum are specified and where the additional strength of a flanged panel is not required. Panels are available in single units or bulk-pack contractor cartons (6 or 12 panels).

## Features:

- Composition: 1/8" aluminum
- Style: flat
- Finish: black wrinkle powder epoxy
- Made in the USA

| Model No. | Description                              | Former No. | "A"<br>Panel Space (in) | "A"<br>Rack Units | Carton Pack |
