Crestron® and Hartmann & Forbes® Artisanal Shading Textiles Sample Box

This collection of hand-woven textiles is designed for Crestron® roller shade systems and features natural fibers that are sustainably grown and artfully hand loomed. Crafted with pride and infused with a rich sense of tradition, each custom weave brings a natural warmth, elegance, and refinement to any room. With 40 premium textiles to choose from, the Crestron and Hartmann & Forbes® collection offers five color stories, from pure white to rich chocolate browns and grays. To provide the looped edge aesthetic for which all Hartmann & Forbes textiles are famous, each shade is hand-woven for windows with dimensions up to 180" wide.^[1] Handcrafted valances are also available in matching or complementary textiles to elegantly conceal the shade motor components.

The CSF-SB-ROLLER-HF sample box houses 6" by 5" textile samples in 40 shade colors, grouped by color story, as well as 12 shade liner options. Perfect for achieving exactly the right textile color and weave in a specific space, this sample box offers the opportunity to experience the high quality and elegance of these hand-woven textiles in a sleek, portable box.
