

CABLECAST CG 330 BULLETIN BOARD SYSTEM FOR PEG CHANNELS

Leveraging Tightrope’s expertise in developing digital signage systems for the corporate and educational marketplace, the Cablecast CG-330 brings a new level of capability and sophistication in community bulletin boards to Public, Educational and Government Access Channels. The CG-330 is a video bulletin board system that is completely integrated with Cablecast automation. The Cablecast CG-330 will also operate independently for those who are running other automation systems or who are only utilizing a Community Bulletin Board for their channels.

WHY USE THE CABLECAST CG 330?

- Integrates seamlessly with Tightrope’s Cablecast scheduling and automation software to generate “Coming up Next”, “See it Again”, and schedule bulletins in-between shows throughout the day.
- Create or update bulletins and generate emergency messages from anywhere with a web browser.
- Unlimited number of users with individually set permissions enabling community organizations to create and post their own bulletins.
- Publish individual bulletins, zones, or the complete bulletin board output directly to your website.
- Automatically pulls in weather forecasts, local traffic cameras, Twitter feeds, Facebook feeds, RSS feeds, etc.

SPECIFICATIONS

Network:	10/100/1000base-TX
Power:	100-240V AC, 50/60Hz
Power Consumption:	100w
Dimensions:	19" x 14" x 1.75" (1RU)
Weight:	13lbs.
Processor:	Intel® Pentium G3220 Haswell 3.0Ghz Dual-Core with Intel HD Graphis
Memory:	8 GB DDR3 1333 SDRAM
Storage:	500GB SATA
Audio Input/Output:	3.5mm stereo
I/O:	Gigabit Ethernet(2), USB 3.0 (2), USB 2.0 (4)
Optional Video Input:	Component and Composite
Video Outputs:	Dual Link DVI-I, DisplayPort & VGA
Optional Video Output:	SD-SDI, HD-SDI, Composite, SD and HD Component (all with Genlock) (order CG330-SDI)
Resolution:	Up to 2560x1600
Video Playback:	WMV, QuickTime, MPEG 2, AVI, DV (up to 720p 60), H.264 (up to 1080p 30)
Multimedia Playback:	Adobe® Flash®
Warranty:	1 year, parts and labor

KEY FEATURES

- Intel® Pentium Haswell 3.0Ghz Dual-Core processor with integrated Intel® HD Graphics for smooth transitions, crawls and videos.
- High Definition output displays 1080P video files.
- Optional HD-SDI outputs and DVI, S-Video, Component and composite inputs in HD or SD for full screen, L-Bar or video within a window.
- Plays Adobe® Flash®, multiple video formats and image files.
- Download pre-made designs and a wide variety of Templates directly from the Tightrope website.
