

ST6

Professional Tabletop Stand for use with all 3 pin XLR Microphones

AKG
by HARMAN

Whenever you need a firm hand

The ST6 is a heavy duty table stand with built-in 3pin XLR in and out. Due to its heavy weight it is very well shock absorbing and holds the microphone firm on.

Heavy Duty

Firm fit and shock absorbing

Elegant black matte design

Discreet look

High quality connectors

Long lasting and secure contacts – well EMC protected
