## Media Presentation Wall Plate - International Version - DisplayPort w/Mini-TRS Stereo Audio

Media Presentation Wall Plates complete the total Crestron® package, ensuring end-to-end Crestron quality for every installation. A range of wall plates is offered to support all types of analog and digital video, audio, and control signals. The MPI-WP International Version wall plates are designed to fit both European (DIN 49073) and UK (BS 4662) wall boxes<sup>[1]</sup>, and are finished using decorative face plates.<sup>[2]</sup>

The MPI-WP160 features one (1) DisplayPort connector and one (1) 3.5mm mini-TRS connector, labeled for DisplayPort and stereo audio. A bulkhead type feed-thru connector is used, providing a female DisplayPort connection at the rear of the wall plate, facilitating installation using a standard DisplayPort cable. Audio wiring is connected via a 3-pin terminal block.

> *Provides DisplayPort and audio connections*

> *Affords Crestron® guaranteed end-to-end system performance*

> *UK and European wall box mountable<sup>[1]</sup>*

> *Gangable for custom wall, lectern, and rack mount applications*

> *Available in white or anthracite*
