Unified Communications Enterprise Headsets

## CHAT<sup>®</sup> USB Headsets Product Overview

	CLASSIC		PREMIUM		PROFESSIONAL	
						
	<b>CHAT 10 Dual</b>	<b>20 Dual</b>	<b>20 Mono</b>	<b>30 Dual</b>	<b>30 Mono</b>	
<b>Price</b>	54.-€	81.-€	68.-€	99.-€	134.-€	
<b>Description</b>	Perfect for applications where lowest cost, yet highest performance is desired.	Premium UC headsets deliver durability, extra comfort and clarity with ClearOne audio technology in a lightweight design.		Professional-Grade UC headsets combine ultimate comfort, executive styling, durability and the legacy audio clarity you expect from ClearOne.		
<b>Applications</b>	Unified communications and softphones, personal conferencing with privacy, mobile conferencing, video conferencing and webinars.					
<b>Interoperability</b>	Audio compatibility with in-line volume and mute control for popular UC applications and softphones like Avaya, Cisco, IBM, Skype, and others.					
<b>Environments</b>	Open office or cubicle, small office/home office, small/medium business, enterprise and call centers.					
<b>Plug-and-Play</b>	PC use is simple with standard USB connection.					
<b>Simple Control</b>	Call control (answer/hangup)*, volume up/down and mic mute with LED indicator.					
<b>Superb Audio</b>	Proprietary noise-cancelling technology filters out background noise. Acoustic Shock Protection (ASP) technology prevents volume spikes or high-pitched tones.					

## Unique Differentiators

### + **Crystal-Clear Audio**
