

LD Series

MONITORING/COMMAND DESKS

Introducing the evolution of new fresh and versatile desk designs by Middle Atlantic Products. Not only are these new designs built to support a wide range of tasks, the ergonomic enhancements and enhanced functionality from top to bottom allow you to work in comfort. We sculpted the corners for operator comfort, but we also made sure these new designs have the flexibility to serve from small surveillance applications all the way up to large-scale command and control environments with ease. You can design your workspace for straight, curved or even serpentine layouts.

FEATURES

- Ergonomically designed with the user in mind
- Economical modular monitoring and control workstation
- Optimized for LCD monitors, with ergonomic user features
- Modular desk ships read-to-assemble
- Add-A-Bay™ model attaches to right side of existing desk
- Small footprint (32" deep) ideal for compact rooms
